## SR 121 In Surrency Closing At Railroad Crossing February 26 & 29

*27 mile detour in place during closures for crossing improvements*

**Jesup, Ga.** – At the request of Norfolk Southern Railroad, State Route (SR) 121 will completely close and all traffic will be detoured in the immediate area of the railroad crossing near US 341/SR 27 in the City of Surrency on Friday, February 26 from 9 a.m. until 2 p.m. and again Monday, February 29 from 6 a.m. until 5 p.m. All work is weather contingent.

During the closures, detours will be signed as:

- Traffic traveling northbound on SR 121 should continue north on SR 15 toward Baxley; turn right onto US 1/SR 4; turn right onto US 341/SR 27; travel to City of Surrency to SR 121 where detour ends.
- Traffic traveling southbound on SR 121 in Surrency turn right on US 341/SR 27 toward Baxley; turn left on to US1/SR4 in Baxley; turn left onto SR 15; continue southbound on SR 121/SR15 where detour ends.
- SR121 will remain open to local traffic up to the railroad crossing.

Georgia DOT crews will install the road closure and detour. The roadway will reopen early if the work is completed ahead of schedule or could possibly be closed longer if weather delays the work.

The existing one-track railroad crossing, operated by Norfolk Southern Railroad, will be replaced with grade crossing improvements. The area will also be resurfaced once the crossing is replaced. Georgia Department of Transportation (GDOT) is overseeing the roadway resurfacing.

***DriveAlert ArriveAlive*** calls attention to an alarming increase in roadway fatalities across Georgia, many resulting from preventable crashes and distracted driving. ***DriveAlert ArriveAlive*** implores motorists to buckle up; stay off the phone and no texting; and drive alert.
